Pilbara Mentors is a program delivered by EdConnect Australia in partnership with the Roy Hill Community Foundation

**WE NEED YOU!!
MAKE A DIFFERENCE BY VOLUNTEERING AS A PILBARA
MENTOR.**

THE TWO VOLUNTEER ROLES

Learning support: Volunteers work under the guidance of education staff. Our volunteers can provide an extra pair of hands in a classroom, listen to students read or help with numeracy. Other tasks may include assisting with kitchen garden projects, the canteen, uniform shop, gardening, cooking programs or in the library.

Mentoring: A student is matched with a mentor and works with them one-on-one for 1 hour a week or fortnight, on school grounds. A mentor is there to be a reliable, caring adult who listens and does not judge. A mentor is not a coach, a counsellor or an education assistant. Sometimes a mentor may assist with some school work but the primary focus is build a student's confidence, their engagement at school and their ability to take on a challenge when returning to class. Whilst the role is not academic based mentoring has a huge impact on academic outcomes.

All training and ongoing support is provided by EdConnect Australia
