

CAR PARK UPGRADE COMMENCING Mon 14 Sept

Dear Parents / Caregivers,

Our long awaited car park upgrade will be commencing on Monday 14th Sept.

This will be undertaken in stages to allow some usage but it does mean that as of Sunday evening the Kiss & Drive and the whole area in front of Kestrel Courts will not be able to be accessed.

We appreciate that this is not ideal however we need to work with the Town of Port Hedland. The works will continue over the holiday break so that we can start next term with a brand new car park.

Pickups & Drops offs:

- We recommend that if students have the capacity to walk, ride or scooter to and from school that this be given consideration – helmets please!
- Another idea might be to park a few streets away and walk the last part with your children
- There is access to the back gate of the school from the oval
 - there is a laneway that students can walk down off of Limpet Crescent – see map on reverse.
 - there is a footbridge that leads on to the oval from Cone Place – there is space to park in this street – see map on reverse
- Utilise the empty block over the road from the school – Baler Close will be accessible
- DO NOT use the staff car park
- The only gates that students and families will be able to access at the front of the school are the Pre-Primary gate and the Bike Rack Gate on Broadhurst Way.

What can families do to assist?

- Consider the above recommendations and make sure your children are aware of where you will be meeting them- or if they are walking / riding
- Have patience and be courteous to each other and the school's neighbours – staff will be there to assist but please do not block driveways
- **Remember safety first – do not pick up or drop off students on the road**
- Have the mindset of '*short term pain for long term gain*'

I thank everyone for their support and know that you will share our excitement when this project is finished.

Kind regards,

Karen Burgess
Principal
