Dear Parents and Caregivers

## 2021 Voluntary Contributions and Estimated Charges

The Baler Primary School Board has endorsed the schedule of Voluntary Contributions and Estimated Charges for 2021. These fees and charges are permitted by the Education Act and enable the school to maximise the quality of learning programs offered to students. This schedule is broken into two sections and will allow you to calculate all costs that you may incur throughout the school year. The totals are the maximum amount of money you would be expected to expend in 2021.

### 1. CONTRIBUTIONS

The total amount of voluntary contributions parents/caregivers are being asked to pay has been set at \$60.00 per child. Money collected will be used to supplement school expenditure in the curriculum learning areas listed below. While contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution by supplementing funding gained from other sources, including the State and Commonwealth Governments. The table below gives you the breakdown of where we will direct your voluntary contribution to.

<b>Kindergarten -Year 6 Voluntary Contributions 2021</b>	
Physical Education resources	\$10.00
Art/Craft resources & consumables	\$10.00
Science resources & consumables & photocopying of reference materials	\$10.00
English resources & photocopying of reference materials	\$10.00
Mathematics resources & photocopying of reference materials	\$10.00
HASS resources & photocopying of reference materials	\$10.00
<b>TOTAL VOLUNTARY CONTRIBUTION REQUEST</b>	<b>\$60.00</b>

### 2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of *estimated charges* if your child participates in all of the activities in 2021 is attached. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the *maximum charge* for scheduled activities in 2021. As in the past, you will be asked to make payment for each activity as it occurs.

The charges schedule includes costs associated with –

- extra curricula activities that supplement the regular program such as school based performances, excursions, in term swimming, faction and interschool carnivals, and
- specific activities for selected students, but conditional on a payment being made such as camp.

Kind regards

Karen Burgess  
Principal
