

All families are invited and encouraged to join the

# Baler Primary School

## P & C Association

**We would love your help. Be a part of something great!**

The Baler P&C Association is a group of parents and community members with an interest in the school, its promotions and its students.

We meet once a term to discuss what has been happening at school, plan fundraising initiatives and the running of our canteen and uniform shop.

We do not set school policies or take part in school governance.

Our aim is to assist the school in any way we can.

Attending P&C meetings is a great way to be a part of what is happening in your child's school and make some great friends.
